A VIEW FROM AFAR

As Charlton are here, three facts about the area, but only one is true. Which one? Answer at the end of the article.

- *The only British Prime Minister to be assassinated, George Canning, is buried at St Luke's Church in Charlton*
- *The London Marathon passes through Charlton after starting in Blackheath*
- *Charlton Athletic shared the ground of Gillingham between 1985 and 1992 due to financial issues*

It is not often that we enjoy the visit of a fully professional club to the Maurice Rebak Stadium, so it is a particular pleasure that The Addicks, from Charlton Athletic are our opponents this evening. Very few of their fans will be familiar with our ground, being used to The Valley which has hosted many a big match and other events.

I distinctly recall some friends from my Finchley Sixth Form days, who had not the slightest interest in football, attending the ground to see a concert by The Who, a popular beat combination. Unlike today, when big stadium events are hi-tech and commonplace, it was then quite unusual. The Who may mean little to any youngster reading this by mistake, but they were very big for My Generation. It was also in the days when football teams only had one Substitute. On the enormous terraces I once heard someone say 'I Can See For Miles', but Who historians will now be totally fed up with the listing of some of their best songs; anybody new to the band will now realise what is happening and Won't Get Fooled Again (enough, ed).

I used to visit The Valley quite regularly in my youth when, for some reason they played a lot of home games on Friday evenings, making a good end to the working week for those of us working in London. They were a good side, but I think that Mike Flanagan and Derek Hales have probably both retired by now and are therefore unlikely to grace our turf this evening.

They made a fine pair of strikers and were noted for being a couple of the chief protagonists of the then popular perm hairstyle; they are

A VIEW FROM AFAR

certainly worth a check on Google! Hairstyles of players have varied over the years, with players of my father's day invariably having a short back and sides and usually a centre parting.

By the time I was involved, the Swinging Sixties were around and George Best tended to influence a range of lesser players by growing his hair long and, shock horror, sometimes having a beard, something that was thought to be the exclusive right of Jimmy Hill. Even Bobby Charlton allowed his hair to grow and that comb over became ever more like a windsock blowing at Northolt Aerodrome.

Nowadays, of course, Anything Goes (The Who never recorded that to the best of my knowledge) and I believe some players at the top level carry around their own personal hairdressers to ensure that they look at their best for the cameras.

Here at Wingate and Finchley of course, all the squad are the very epitome of style and many of the fans clearly try to emulate them. I would suggest that any Charlton supporter who has accidentally stumbled upon this article takes up the challenge of trying to identify which fans look most like the heroes on the greensward. Do tell them if you make a connection; they will be delighted to chat about their personal stylists.

Which fact is correct? It's the London Marathon. The only PM to be assassinated is buried here, but it was Spencer Perceval and Charlton shared the grounds of Crystal Palace and West Ham during that period.

WINGATE & FINCHLEY CLUB HISTORY

Wingate and Finchley Football club can trace its roots back to the formation of Finchley Football Club in 1874 making it one of the oldest clubs in the country. Founded by Pa Jackson, who also was instrumental in the creation of the Corinthians, The London Football Association as well as later serving as secretary of the FA, Finchley became founder members of the Athenian League in 1912 after spells in the London League and North London League. They finished fourth in the maiden season, higher than such luminaries as Grays Athletic, Chelmsford City and Enfield.

However their stay was cut short due to the onset of World War One and they would only return for a lone season in 1929 before returning to the London League and forging success. The club's first piece of silverware was won during the 1934-1935 season when the League Cup was captured, with the taste of achievement forming Finchley went on to win the London League in 1936-1937 before World War Two scuppered their winning streak.

It was immediately after the conflict that saw Major Harry Sadow, Frank Davis, George Hyams and Asher Rebak form a Jewish Football Club believing the field of play was a ground of battling the ignorance of anti-Semitism. So in 1946 Wingate Football Club began life in the Middlesex Senior League. The club was named after General Orde C. Wingate who despite not being Jewish himself oversaw the creation of the Israeli Army during the Second World War. The club enjoyed early success and by 1952 they were promoted to the London League.

Meanwhile Finchley, back in the Athenian League, were in the middle of their glory years with the 1952-1953 season proving to be the pinnacle. That year saw their progression to the Third Round Proper of the FA Cup. Defeated along the way were Chelmsford City, Kidderminster Harriers (1-0 at Aggborough) and Crystal Palace (3-1 at Summers Lane) before the Finches were finally beaten 2-0 at Gay Meadow against Shrewsbury Town.

Despite an Amateur Cup semi-final appearance, losing to bitter local rivals Hendon at Highbury in 1965, a sense of decline was starting to emerge. A switch to the Isthmian Premier League failed to stop the halt, and in 1980-81 Finchley were relegated to the second division.

Wingate by now had become a senior club and were competing in the Athenian League. Many players had become members of the Middlesex FA representative side and also partook on behalf of Great Britain in the Maccabiah Games. Disaster struck though in 1972 when their Hall Lane ground in Hendon was lost to the M1 extension and despite a short ground share with Finchley FC the club reverted to junior football.

Wingate finally returned to the senior game with a brief merger with Leyton FC. This partnership proved to be unsuccessful and despite a 1984-1985 League Cup victory, ironically defeating Finchley in the final, both clubs went their separate ways.

In 1991 with Finchley struggling in the Isthmian League Second Division and with mounting debts it was announced that a merger with Wingate would take place in the

WINGATE & FINCHLEY CLUB HISTORY

summer. After extensive refurbishment and a name change of the Summers Lane ground in honour of long time Wingate supporter Harry Abrahams, Wingate and Finchley took to the field for the start of the 1991-1992 season.

Success was immediate and despite starting life in the South Midlands League the club were quickly competing in the Isthmian League and by season 2003-2004 were members of the newly formed Division One North.

In recent seasons the club has continued its growth. A brief flirtation with the Southern League was shortly followed by the arrivals of Manager Michael Stone and Chairman Aron Sharpe. Now back in the Isthmian League a youthful squad achieved seventh position in the First Division North in the 2008-2009.

Stone sadly left the club in 2009 after being offered the post of Assistant Manager at Conference giants Rushden and Diamonds. The club's first team manager in time for the start of the 2009/10 season was former Oswestry Town manager and Total Network Solutions Llansantffraid midfielder David Norman. At the end this season the Club finished in a record high position of 3rd in the Ryman Division One North, mainly thanks to a record run of 17 matches without defeat from the turn of the year, a run which included 13 wins. The Club reached the playoffs but lost out to Enfield Town in the semi-final 3-2 in an incredible match. This paved the way for what was to be a monumental and unforgettable 2010/11 season.

The Club was quickly becoming the most progressive non-league club in the area, thanks to Sharpe's focus on youth development. Bobby Aisien and Medi Alabimba had progressed from Hadley Wood and Wingate to earn professional contracts, and in 2011 over 20 of the U16-18 age group represented their County. Six boys at U16's were given scholarships with pro sides and the club developed into a community club with a Mencap disability initiative, work with schools, and it entered its fourth year of the Flex educational scheme.

A consistent league season for the First Team saw the side match their previous 3rd place league finish and earn a second crack at the playoffs. In the semi-final Harlow Town were beaten 4-2 after extra time, and promotion to the Ryman premier Division was won with a 118th minute winner over Brentwood Town in extra time of the final - The Blues winning 3-2 on their home turf.

This victory was the middle leg of a remarkable and unique Treble. Earlier that season the club had lifted the Ryman League Cup having beaten Dulwich Hamlet 2-0 at Imber Court, and London Senior Cup success was to follow shortly afterwards when Hendon were convincingly beaten 3-1 in the final.

Success flowed throughout the Club this year, with the youth teams also building on their previous season's work as they progressed superbly. The U18's won the Middlesex County Cup, and at U15 level the League Title and three Cup trophies followed (two County cups and the League cup). Even the Under 10's were getting in on the action as they lifted the Spring Cup!

WINGATE & FINCHLEY CLUB HISTORY

The first season in the Ryman Premier Division in 2011/12 saw the side secure safety in this new level with a comfortable mid-table finish, ending up closer to the playoffs than from relegation. The final third of the season saw breakthroughs for youth players Liron Mannie and David Smouha who both played big roles in the first team squad. Meanwhile there was huge cup success at youth level yet again; The Under 18's won the AFA Cup, beating Valley Park after extra time, as well as the London County Cup. The Under 17's won a double as they beat Thurrock in the EJA League Cup final to add to their earlier AFA Cup success having beaten Bethwin 8-1! The Under 16's also got in on the action securing their AFA Cup title beating Woodford FC, which they added later on securing their EJA (Herts) League title.

Success of the youth sides prompted three players - Ross Weinreb, Nathan Sollosi and Joe Sharpe - to earn selection to the Great Britain Maccabi Team for the world games in Israel during July 2013. Meanwhile the Barnet Mencap disability sides grew in strength as they entered the fourth season with the club, with three sides now competing in the Camden Step Leagues. The year ended on a high as McDonalds joined in lucrative sponsorship deal.

The following season, 2012-13, was a difficult one for the first team. Early season poor form led to the departure of Norman in November as ex-Northwood boss Gary Meakin came in. The Club flirted with relegation all season until a momentous 3-2 victory over Lowestoft two days before the final day secured survival. However Norman rejoined the Club in the summer as Director of Football, as veteran defender Daniel Nielsen was put in place as Head Coach. Meanwhile a new Under 21 Development squad was set up to compete in the inaugural Ryman U21 League.

There was continual success for the youth sides. The U17's added the London County Cup to an earlier EJA league title, the EJA cup and the AFA cup. These were also followed up with the League Regional Playoff title. The U16's won two cups in this season, the EJA and AFA trophies.

In 2014 the side faced another relegation fight in the league, which was lost on goal difference on the final day of the season despite a 5-0 victory over Billericay Town. However, when Worksop Town pulled out of the Southern League due to financial problems, Wingate & Finchley were the first in line to earn the reprieve back to the Ryman Premier Division.

The 2014-15 season resulted in a record finish of 12th place in the Ryman Premier League, and at the end of the season Norman departed, to be replaced by Simon Lane as Director of Football. However for the start of 2016 he was replaced by former Northern Ireland International Keith Rowland and the side finished in a stable 13th position. In August 2016 the stadium at Summers Lane was re-named after Wingate FC co-founder Maurice Rebak who had passed away in February of that year aged 95.

WINGATE & FINCHLEY CLUB HISTORY

The 2016-17 season saw the club set a new record, finishing in 5th place in the Ryman Premier League and qualifying for the end of season playoffs. A last-minute defeat at Bognor Regis Town in the semi-final ended the season, but this was a magnificent achievement and saw the Blues win the League's Team Performance of the Year Award.

A ninth-place finish followed in 2017-18 as the Blues narrowly missed out on a second successive play-off berth. There was success for the Under 23 side who won the Isthmian Development League North Division at a canter. Over the summer the Club embarked on an extensive state-of-the-art refurbishment of the stadium, for the first time since 1991's merger, giving the clubhouse a much-welcomed overhaul and making the stadium one of the most impressive in non-league football.

The subsequent three seasons saw a period of uncertainty both on and off the pitch, with short management stints for ex England International Nicky Shorey, ex Premier League stalwart Glen Little and ex West Ham Academy and Wingate & Finchley favourite Steve Clarke, followed by two null and void seasons under the stewardship of Spencer Knight due to the COVID pandemic. However, during this period there were still many successes, including U18s winning County Cup in consecutive seasons and the London Champion of Champions trophy, U23 Development Squad being victorious in Herts League Cup fielding a squad largely made up of Under 18s, while both U13s and U12s secured League Titles.

In the summer of 2021, Club legends Ahmet Rifat (Director of Football) and Marc Weatherstone (Manager) were appointed as a new Management Team after nearly 1000 first team appearances between them. Later in the 2022/23 season Ahmet Rifat was to take sole charge.

Season 2024/24 will go down on record as one of our finest if not the finest. Finishing in 4th position with a record haul of 76 points and scoring 78 goals. Ahmet Rifat's charges made it to the play offs on the last day of the season with a 3-0 win over Carshalton.

We faced local rivals Enfield Town in the play off Semi finals at the QE II Stadium. We narrowly lost a very tight match 1-0 in front of a crowd of 2,225 that night. A fine season was ended, but what memories it brought.

What does 2024/25 hold, a new revamped side, and a manager and coaching squad with that extra years experience. Looking forward to the journey.

CHARLTON ATHLETIC MATCH PREVIEW

For the more than 250 fans that braved Storm Bert on Saturday, it was a tricky game against a strong opponent and ended in a narrow 1-0 defeat to Horsham, our first home league defeat since August Bank Holiday! Results elsewhere meant that the Blues only dropped one place to third, as Ahmet Rifat's Blues continue to occupy a playoff spot in the early stages of the season. As the storm begins to calm, attentions turn back to the London Senior Cup on Tuesday, as we welcome EFL opposition in the form of Charlton Athletic to the Maurice Rebak Stadium.

Our Opponents

Charlton Athletic will need little introduction to many readers; The Addicks were founded in 1905 and have been a professional club for over a little over a century, and at the turn of the millennium, Charlton were a Premier League football club. Alan Curbishley led the Addicks to playoff success in 1997/98, and after only lasting one season in the top flight, Curbishley was able to repeat the previous success, this time winning the title in the second tier in the 99/00 season. Their second stay in the top flight was longer, remaining at the top level of English football until 2007, with big name players in that period including the likes of Scott Parker, Darren Bent, Chris Powell and Paul Konchesky.

Since their relegation in 2007, the Addicks have spent the subsequent seasons bouncing between the Championship and League One, with numerous changes of ownership and supporter protests often taking the headlines rather than the on-field matters. Currently, Charlton are in League One, sat 14th at the time of writing (W5 D4 L6), with last season's top scorer Alfie May leaving for Birmingham in the summer, and this season attempting to replace May's goals coming with the likes of Matt Godden who joined from Coventry City in the summer. Nathan Jones is the current man tasked with returning Charlton to their former glory, with the former Luton Town manager having taken the reins as manager in February.

In the London Cup, Charlton are the current holders of the trophy, having won the competition in both 2022/23 and 2023/24, beating Hendon 2-1 last year to retain their title, after beating Haringey in the previous season. The Addicks use their U21s squad primarily in this competition, similar to the likes of Brentford B who the Blues played in the competition last year.

Head-to-Head

The Blues are yet to face Charlton Athletic in a competitive fixture - come down on

CHARLTON ATHLETIC MATCH PREVIEW

Tuesday night to witness it for the first time!

Last Time Out

In the league, the Charlton U21s most recent clash against Leeds United was postponed on Saturday, their last match in the league being away at Bristol City, the game ending goalless. Charlton U21s are sat 2nd in their league, the U21 Professional Development League South. In the London Senior Cup, the Addicks youngsters won their first match 6-1 against Fisher to set up this tie. Scorers on that night were Henry Rylah, Toby Bower (2), Ethan Brown, Bradley Tagoe and Ibrahim Fullah.

Players To Watch

The captain of the U21s side is Harvey Kedwell; the midfielder has been with the Addicks since U8s and has appeared three times for the first team since signing a professional contract. Kedwell has also played on loan in the National League with Dagenham & Redbridge, appearing 17 times for the Daggers in 23/24.

Meanwhile, another youngster who played in the London Cup clash against Fisher was 19-year old midfielder Kai Enslin, who went on to make his first team debut in the EFL Trophy win against Bromley the following week, becoming the 1,001st Charlton Athletic player in the process.

For the Blues, midfielder Matty Achuba has signed for National League South side Hemel Hempstead, making his debut on Saturday, which provides an opportunity for the likes of Jaiden Drakes-Thomas to continue to impress in the Blues midfield. Drakes-Thomas is still only 20 years old himself, and has impressed many with his calmness in possession and range of passing this season so far.

The Blues made a new signing of their own last week, as midfielder Camilo Restrepo was recruited from Hashtag United. The attacking midfielder made his debut off the bench on Saturday and promises to provide Blues fans with plenty of flair and excitement, as he looks to demonstrate his futsal abilities, with experience at international and Champions League level in futsal competitions.

HORSHAM MATCH REPORT

Hornets sting Blues with narrow defeat

The clash between Wingate & Finchley and Horsham on Saturday was a tight and fiercely contested affair, with Horsham emerging as narrow 1-0 victors thanks to a second-half strike from Joel Daly. The wet and windy conditions from Storm Bert made creativity difficult for the two footballing sides, and it always appeared that one goal was going to settle this tie.

Wingate & Finchley started the brighter side, creating a series of early chances. In the 5th minute, Jaiden Drakes-Thomas and Zack Newton combined well, with the latter firing just wide. Rhamar Garrett-Douglas also tested Lewis Carey in the visitor's goal but he made a comfortable save. Horsham grew into the game and launched counter-attacks of their own. Both teams exchanged half-chances, but without anything that would trouble the xG counters.

The deadlock was broken five minutes into the second half. The goal that sealed the win came through the visitors' Joel Daly as he slotted home at the end of a fast and ruthless counter-attack led by Daniel Ajakaiye down the left side.

Wingate responded strongly, forcing corners and testing the Horsham defence, but they couldn't find an equalizer. In truth Wingate & Finchley struggled to create clear opportunities, as Horsham's rigid defensive display nullified the Blues' normal fluidity - the visitors coping better with the weather conditions. The Hornets' keeper was only tested by a stinging 20 yard drive from Ryan Lowe but he held on comfortably as the shot zipped off the surface.

Substitutions added fresh legs to both sides, including the introduction of debutant Camilo Restrepo for Wingate & Finchley, but Horsham's defence held firm. The best chance for the hosts came from a corner in the 69th minute, but the resulting shot was blocked at close range.

Horsham had a golden chance to seal it at the death, but Chris Dickson wildly wasted his chance high over the bar when he seemed certain to score in acres of space. In the end Horsham's resolute defending and clinical counter attack ensured they secured all three points in a hard-fought contest as they held on for the slender win in torrential rain.

As a result of the narrow defeat and results elsewhere, the Blues drop down one place into third. Next up we welcome Charlton Athletic to the Maurice Rebak Stadium on Tuesday night in the London Senior Cup.

Wingate & Finchley: Grainger; Cracknell; Byron; Drakes-Thomas; Frempah; Lowe; Garrett-Douglas (Briscoe 87'); Newton (Restrepo 64'); Obi; Georgiou; Hernandez (Kissi 45')
