WINGATE & FINCHLEY FC

Hello and welcome to the Maurice Rebak Stadium! We hope that all associated with the club, the match officials and the staff, players and officials of Chichester enjoy their stay in N12 this afternoon!

It was a disappointing result last time out away against National League South Dorking Wanderers in the FA Cup; an underwhelming Blues team coming away with a 7-2 defeat. Despite the poor result, there were periods of the game which give reason for optimism, and Ahmet Rifat's side will hope to put the disappointment of the cup behind them.

Chichester have had a positive start to their Isthmian Premier campaign and sit in a respectable 8th position. Last season they finished just three points off 5th-placed Dover, who went on to win the playoffs, in a magnificent maiden season in Step 3.

The Blues faced Chi for the first time last season, but failed to come away with a win – a last minute equaliser from Ayo Tanimowo secured a 1-1 draw at the MRS, whilst Chichester won 2-1 at Oaklands in February this year.

The Blues will hope for a maiden win this afternoon, knowing that doing so could see them end the day above the bottom four.

Highlights from Tonight's game will be available to watch on Our [YouTube Channel](#) tomorrow.

LEAGUE RESPECT STATEMENT

“The Isthmian Football League strongly supports the Football Association’s statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual’s sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.”

A VIEW FROM AFAR – by Peter Brown

To begin, three very loosely related statements with an even looser connection to today's fixture or this article, one of them being false. Which one? Answer at the end of the article.

- Tim Peake, the British astronaut, was born and went to school in Chichester
- An American football was thrown on the moon, by Pete Conrad and Alan Bean, the 3rd and 4th men to walk there, on Apollo 12, continuing the sporting trend of a golf shot being played on the first landing
- The closest stretch of motorway standard road to Lowestoft, is in the Netherlands

I shall be following the game today from the Lady Wife's and my annual jaunt north of the border. To be precise, we shall be in Cromarty on the Black Isle, where the local support seems to swing behind Ross County. We have, however, come to make the acquaintance there of a man who has only recently stood down from a very long spell on the Highland Council, representing the Scottish National Party. He is a fervent supporter of West Bromwich Albion – there really are some strange stories to be told. I did once mention this to another local resident who told me that the aforementioned former councillor apparently shared a nickname given to Bruce Rioch, when he was manager of Arsenal. He was known as Dagenham 'because it is one stop short of Barking'. Obviously, I couldn't possibly comment.

More pertinently, I thought I'd check how far Cromarty is from the home of today's visitors from Chichester. It is just the 635 miles and, according to Google Maps can be driven in 11 hours. Were you to walk it would take 9 days and on a bike it would take 2 days. Now, I must admit my fitness is not what it once was, but even at my peak, cycling 317½ miles on consecutive days would have caused a certain amount of weariness – it would have been

A VIEW FROM AFAR

that final half mile that was the killer - and a deep fried Mars Bar or two might have been needed on arrival.

It is unlikely, I suspect, that Chichester City, or indeed ourselves, will ever be required to play a match in the northern Highlands, but the 83 miles between our grounds does make it one of the longer journeys in the league this season. I was once at a splendid birthday dinner for one of this column's regular readers and fell into conversation with another guest who was then a Director of Colwyn Bay FC. At that time, in 2015, they were in the National League North, as were Lowestoft Town, a distance of some 312 miles (so an easy 1 day cycle, obviously). Astoundingly, for the away game, they chose not to provide the team with bicycles and allowed them instead to share the comfort of the coach, which was of course really meant for the important people in football, namely the directors and their wives.

They also decided to travel the day before and put everybody up in one of Lowestoft's countless top-class hotels (check this – ed). This led to many hilarious tales of high jinks and attempts to ensure that the players were all back in the hotel in plenty of time for breakfast. I think they had been out seeking to find the best art galleries in the town, or studying the local architecture.

Nothing like this need trouble us today, of course. Two people will be watching from afar and hoping that visiting supporters enjoy their afternoon in Finchley, apart of course from wondering how things went so wrong for their team. They can enjoy the hospitality of the clubhouse, although I am sorry to have to report that one item missing from the menu is a deep fried Mars Bar.

Which statement was incorrect? There is no evidence that a ball of any type has ever been thrown on the moon.

WINGATE & FINCHLEY CLUB HISTORY

Wingate and Finchley Football club can trace its roots back to the formation of Finchley Football Club in 1874 making it one of the oldest clubs in the country. Founded by Pa Jackson, who also was instrumental in the creation of the Corinthians, The London Football Association as well as later serving as secretary of the FA, Finchley became founder members of the Athenian League in 1912 after spells in the London League and North London League. They finished fourth in the maiden season, higher than such luminaries as Grays Athletic, Chelmsford City and Enfield.

However their stay was cut short due to the onset of World War One and they would only return for a lone season in 1929 before returning to the London League and forging success. The club's first piece of silverware was won during the 1934-1935 season when the League Cup was captured, with the taste of achievement forming Finchley went on to win the London League in 1936-1937 before World War Two scuppered their winning streak.

It was immediately after the conflict that saw Major Harry Sadow, Frank Davis, George Hyams and Asher Rebak form a Jewish Football Club believing the field of play was a ground of battling the ignorance of anti-Semitism. So in 1946 Wingate Football Club began life in the Middlesex Senior League. The club was named after General Orde C. Wingate who despite not being Jewish himself oversaw the creation of the Israeli Army during the Second World War. The club enjoyed early success and by 1952 they were promoted to the London League.

Meanwhile Finchley, back in the Athenian League, were in the middle of their glory years with the 1952-1953 season proving to be the pinnacle. That year saw their progression to the Third Round Proper of the FA Cup. Defeated along the way were Chelmsford City, Kidderminster Harriers (1-0 at Aggborough) and Crystal Palace (3-1 at Summers Lane) before the Finches were finally beaten 2-0 at Gay Meadow against Shrewsbury Town.

Despite an Amateur Cup semi-final appearance, losing to bitter local rivals Hendon at Highbury in 1965, a sense of decline was starting to emerge. A switch to the Isthmian Premier League failed to stop the halt, and in 1980-81 Finchley were relegated to the second division.

Wingate by now had become a senior club and were competing in the Athenian League. Many players had become members of the Middlesex FA representative side and also partook on behalf of Great Britain in the Maccabiah Games. Disaster struck though in 1972 when their Hall Lane ground in Hendon was lost to the M1 extension and despite a short ground share with Finchley FC the club reverted to junior football.

Wingate finally returned to the senior game with a brief merger with Leyton FC. This partnership proved to be unsuccessful and despite a 1984-1985 League Cup victory, ironically defeating Finchley in the final, both clubs went their separate ways.

In 1991 with Finchley struggling in the Isthmian League Second Division and with mounting debts it was announced that a merger with Wingate would take place in the

WINGATE & FINCHLEY CLUB HISTORY

summer. After extensive refurbishment and a name change of the Summers Lane ground in honour of long time Wingate supporter Harry Abrahams, Wingate and Finchley took to the field for the start of the 1991-1992 season.

Success was immediate and despite starting life in the South Midlands League the club were quickly competing in the Isthmian League and by season 2003-2004 were members of the newly formed Division One North.

In recent seasons the club has continued its growth. A brief flirtation with the Southern League was shortly followed by the arrivals of Manager Michael Stone and Chairman Aron Sharpe. Now back in the Isthmian League a youthful squad achieved seventh position in the First Division North in the 2008-2009.

Stone sadly left the club in 2009 after being offered the post of Assistant Manager at Conference giants Rushden and Diamonds. The club's first team manager in time for the start of the 2009/10 season was former Oswestry Town manager and Total Network Solutions Llansantffraid midfielder David Norman. At the end this season the Club finished in a record high position of 3rd in the Ryman Division One North, mainly thanks to a record run of 17 matches without defeat from the turn of the year, a run which included 13 wins. The Club reached the playoffs but lost out to Enfield Town in the semi-final 3-2 in an incredible match. This paved the way for what was to be a monumental and unforgettable 2010/11 season.

The Club was quickly becoming the most progressive non-league club in the area, thanks to Sharpe's focus on youth development. Bobby Aisien had progressed from Hadley Wood and Wingate to earn professional contracts, and in 2011 over 20 of the U16-18 age group represented their County. Six boys at U16's were given scholarships with pro sides and the club developed into a community club with a Mencap disability initiative, work with schools, and it entered its fourth year of the Flex educational scheme.

A consistent league season for the First Team saw the side match their previous 3rd place league finish and earn a second crack at the playoffs. In the semi-final Harlow Town were beaten 4-2 after extra time, and promotion to the Ryman premier Division was won with a 118th minute winner over Brentwood Town in extra time of the final - The Blues winning 3-2 on their home turf.

This victory was the middle leg of a remarkable and unique Treble. Earlier that season the club had lifted the Ryman League Cup having beaten Dulwich Hamlet 2-0 at Imber Court, and London Senior Cup success was to follow shortly afterwards when Hendon were convincingly beaten 3-1 in the final.

Success flowed throughout the Club this year, with the youth teams also building on their previous season's work as they progressed superbly. The U18's won the Middlesex County Cup, and at U15 level the League Title and three Cup trophies followed (two County cups and the League cup). Even the Under 10's were getting in on the action as they lifted the Spring Cup!

WINGATE & FINCHLEY CLUB HISTORY

The first season in the Ryman Premier Division in 2011/12 saw the side secure safety in this new level with a comfortable mid-table finish, ending up closer to the playoffs than from relegation. The final third of the season saw breakthroughs for youth players Liron Mannie and David Smouha who both played big roles in the first team squad. Meanwhile there was huge cup success at youth level yet again; The Under 18's won the AFA Cup, beating Valley Park after extra time, as well as the London County Cup. The Under 17's won a double as they beat Thurrock in the EJA League Cup final to add to their earlier AFA Cup success having beaten Bethwin 8-1! The Under 16's also got in on the action securing their AFA Cup title beating Woodford FC, which they added later on securing their EJA (Herts) League title.

Success of the youth sides prompted three players - Ross Weinreb, Nathan Sollosi and Joe Sharpe - to earn selection to the Great Britain Maccabi Team for the world games in Israel during July 2013. Meanwhile the Barnet Mencap disability sides grew in strength as they entered the fourth season with the club, with three sides now competing in the Camden Step Leagues. The year ended on a high as McDonalds joined in lucrative sponsorship deal.

The following season, 2012-13, was a difficult one for the first team. Early season poor form led to the departure of Norman in November as ex-Northwood boss Gary Meakin came in. The Club flirted with relegation all season until a momentous 3-2 victory over Lowestoft two days before the final day secured survival. However Norman rejoined the Club in the summer as Director of Football, as veteran defender Daniel Nielsen was put in place as Head Coach. Meanwhile a new Under 21 Development squad was set up to compete in the inaugural Ryman U21 League.

There was continual success for the youth sides. The U17's added the London County Cup to an earlier EJA league title, the EJA cup and the AFA cup. These were also followed up with the League Regional Playoff title. The U16's won two cups in this season, the EJA and AFA trophies.

In 2014 the side faced another relegation fight in the league, which was lost on goal difference on the final day of the season despite a 5-0 victory over Billericay Town. However, when Worksop Town pulled out of the Southern League due to financial problems, Wingate & Finchley were the first in line to earn the reprieve back to the Ryman Premier Division.

The 2014-15 season resulted in a record finish of 12th place in the Ryman Premier League, and at the end of the season Norman departed, to be replaced by Simon Lane as Director of Football. However for the start of 2016 he was replaced by former Northern Ireland International Keith Rowland and the side finished in a stable 13th position. In August 2016 the stadium at Summers Lane was re-named after Wingate FC co-founder Maurice Rebak who had passed away in February of that year aged 95.

WINGATE & FINCHLEY CLUB HISTORY

The 2016-17 season saw the club set a new record, finishing in 5th place in the Ryman Premier League and qualifying for the end of season playoffs. A last-minute defeat at Bognor Regis Town in the semi-final ended the season, but this was a magnificent achievement and saw the Blues win the League's Team Performance of the Year Award.

A ninth-place finish followed in 2017-18 as the Blues narrowly missed out on a second successive play-off berth. There was success for the Under 23 side who won the Isthmian Development League North Division at a canter. Over the summer the Club embarked on an extensive state-of-the-art refurbishment of the stadium, for the first time since 1991's merger, giving the clubhouse a much-welcomed overhaul and making the stadium one of the most impressive in non-league football.

The subsequent three seasons saw a period of uncertainty both on and off the pitch, with short management stints for ex England International Nicky Shorey, ex Premier League stalwart Glen Little and ex West Ham Academy and Wingate & Finchley favourite Steve Clarke, followed by two null and void seasons under the stewardship of Spencer Knight due to the COVID pandemic. However, during this period there were still many successes, including U18s winning County Cup in consecutive seasons and the London Champion of Champions trophy, U23 Development Squad being victorious in Herts League Cup fielding a squad largely made up of Under 18s, while both U13s and U12s secured League Titles.

In the summer of 2021, Club legends Ahmet Rifat (Director of Football) and Marc Weatherstone (Manager) were appointed as a new Management Team after nearly 1000 first team appearances between them. Later in the 2022/23 season Ahmet Rifat was to take sole charge.

Season 2023/24 will go down on record as one of our finest if not the finest. Finishing in 4th position with a record haul of 76 points and scoring 78 goals. Ahmet Rifat's charges made it to the play offs on the last day of the season with a 3-0 win over Carshalton.

We faced local rivals Enfield Town in the play off Semi finals at the QE II Stadium. We narrowly lost a very tight match 1-0 in front of a crowd of 2,225 that night. A fine season was ended, but what memories it brought.

2024/25 saw a new revamped side, and a manager and coaching squad with that extra year's experience and they completed a successfully stable mid-table finish.

TODAY'S VISITORS - CLUB HISTORY

The first Chichester Football Club was formed in 1873 and added the title 'City' to its name in 1948.

The club's original home was Priory Park but it relocated to Oaklands Park in the early fifties.

The club was represented at the inaugural meeting of the Sussex County FA in 1882 and featured in the first ever Sussex Senior Cup competition in the same year losing 5-0 to Storrington. In 1896 Chichester became members of the newly formed West Sussex League and remained there until they joined the Sussex County League in 1920. The first major honour was achieved in 1926 when they won the Sussex Senior Cup but inter-war success was limited.

In 1960 Chichester clinched their first Sussex County League title and then retained it the following season, shared the Sussex RUR Cup with Brighton & Hove Albion after a 2-2 draw and reached the first round proper of the FA Cup, only to lose 11-0 to Bristol City. Chichester beat Eastbourne in the RUR Cup in 1964 and recaptured the league title in 1968.

In the 1970s Chichester's fortunes were mixed; the high point being another league championship in 1973 and a good run in the FA Amateur Cup. At the end of the decade, City faced relegation for the first time. However, the appointment of ex-Plymouth and Portsmouth player, Richie Reynolds, as manager sparked an amazing revival which saw City claw their way to safety. The following season was one of City's best ever as Reynolds masterminded a league championship win.

The club was relegated though in 1983 after a dismal season. Promotion and Division Two Cup success followed in 1985 but they returned to the Second Division for the 1987-88 campaign winning the Division Two Challenge Cup again in 1988.

TODAY'S VISITORS - CLUB HISTORY

Steve White took over as manager in 1990 and the side enjoyed another promotion campaign alongside Division Two Challenge Cup success. The club struggled for several seasons in the County League top flight before again being relegated to Division Two in 1994. In 1997, City returned to the top flight after finishing runners-up. Permission was finally granted for floodlights at Oaklands Park and they remained in the top flight of the Sussex County League in one guise or another for over twenty years.

Following a millennium merger with Portfield FC the club became known as Chichester City United FC and in 2004 Adie Girdler and his assistant Gary Brockway led Chichester to their first Sussex County League title since 1980. The club also won the Brighton Charity Cup in 2005 and 2006 and the RUR Cup for a third time in 2007. At the start of the 2009-2010 season, following discussions with Chichester District Council, it was agreed to revert back to the name of Chichester City FC as this more clearly reflected the club and the city.

The club faced challenges after this, both on and off the pitch, for a number of years. However, the management team of Miles Rutherford, Graeme Gee and first team coach Danny Potter has transformed things at Chi in all sorts of ways. A top five finish in the Southern Combination Football League premier division in 2015-16 was followed by a third place spot in 2016-17, a six month unbeaten run in the league and a record equaling 4th round appearance in the FA Vase. Chichester went one round better in the Vase the following season, losing 1-0 to 1874 Northwich in the last minute of the game.

Step 4 of the non-league football pyramid for the first time ever in the club's history after clinching the SCFL premier division title in 2018-19.

Darin Killpartrick joined the coaching staff at Chichester in the summer of 2019 and an exceptional start to life in the Isthmian League was complemented by an extraordinary FA Cup adventure as City progressed through six rounds of qualifying to make it to the first round proper of the competition – a run in which Chichester beat three Step 3 sides.

And in a unique FA Cup first round draw Chichester, the lowest ranked team left in the competition, were given the bye into the second round, only to lose 5-1 away at Tranmere Rovers in a match broadcast live on BT Sport.

That first league campaign was curtailed by COVID, as was the subsequent season, but in 2021-22 Chichester finished 11th in the table and 10th in 2022-23.

A year later Chi went on an amazing late run of 13-games unbeaten to finish the regular campaign in the last play-off spot. They beat runners-up Ramsgate away in the semi-final 1-0 thanks to a Mo Jammeh 87th minute winner, and thrashed Three Bridges 5-0 at Jubilee Field in the final to get promoted to the Isthmian premier division – a first ever Step 3 appearance for the club.
